

DECLARATION FOR PATENT APPLICATION

As a below-named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am an original joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled Methods for Screening for Transdominant Effector Peptides and RNA Molecules, and having the named inventor(s): Garry P. Nolan and S. Michael Rothenberg and described in application serial no. 08/589,109, filed January 23, 1996,

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims,

I acknowledge the duty to disclose to the Patent Office all information known to me to be material to patentability as defined in 37 C.F.R. 1.56.

Direct all telephone calls to Richard Aron Osman, Ph.D., Reg #36,627, (415) 343-4341 and address all correspondence to: Science & Technology Law Group, 268 Bush Street, Suite 3200, San Francisco, CA 94104.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Title 18, United States Code, §1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
